

What is WOOD BADGE?

In 1911, Baden-Powell took the first steps in training Scouting's adult leaders by organizing a series of lectures for Scouters. He made great strides in the years that followed, culminating in 1919 with the establishment of Wood Badge training. Wood Badge recipients now number more than 100,000 and can be found in all corners of the world.

What Will You Get Out of WOOD BADGE?

As a result of attending Wood Badge, you will be able to:

- View Scouting globally, as a family of interrelated, values-based programs that provide age-appropriate activities for youth.
- Recognize the contemporary leadership concepts utilized in corporate America and leading government organizations that are relevant to our values-based movement.
- Apply the skills you learn from your participation as a member of a successful working team.
- Revitalize your commitment to Scouting by sharing in an overall inspirational experience that helps provide Scouting with the leadership it needs to accomplish its mission on an ongoing basis.

How is WOOD BADGE Presented?

Wood Badge consists of two phases. The first is the *practical phase*. This consists of two full weekends at camp plus two midweek patrol meetings between the weekends. The second, or *application phase*, occurs after the weekends and consists of "working your ticket", a set of 5 Scouting-related goals.

In addition, the ticket gives you an opportunity to practice and demonstrate a working knowledge of the leadership and team skills presented during the course. You should complete your Wood Badge ticket no later than 18 months after the practical phase of the course.
